

2011 FALL COLOUR TOUR

It seems like just a few weeks ago we were getting our sports cars ready for spring and suddenly the driving season is drawing to a close. Sad but true. With the 2011 driving season getting close to an end there are just a few driving programs left on the DTSC calendar.

On Sunday, October 9, we will host the Fall Colour Tour. We will gather at the home of Roger Cotting and Elizabeth at 56050 Eight Mile Road in Northville. Departure will be at 10 a.m. Once again we welcome all clubs who want to exercise their sports cars for one of the last driving events of the season.

The route will be roughly 90 miles of scenic roads and will include stops at the Three Cedars Cider Mill and the Waterloo Pizza and Ice Cream shop. The final stop will be at Brecon's Restaurant in Saline where we will have lunch.

Remember to fill your fuel tanks before you arrive and enjoy some early fall colors.

If you have questions please contact your hosts, Mark Rollinson (248-762-5126) or Roger Cotting (734-558-5673).
