

15th Annual DTSC Family Picnic & Pool Party

C'mon in, the water's fine!

Here we go again, as the Snyders are preparing to host our annual DTSC family event on Sunday, July 31, 2011. Come on over and join in the fun. Bring your navigator, kids and cars (British, hopefully) and be prepared to have a good time. This year makes a baker's dozen for this event!

As the Club is working with limited funds this year, we are asking all attending to bring a dish to share. If you have a favorite salad, fruit, dip, or dessert, please bring it along to share. The Club will provide burgers & dogs.

The pool is open rain or shine and there's plenty of lawn parking for your TRs and LBCs. In case of rain, what the heck! It's rained many a year, so we don't worry about it! We have plenty of nice soft microfiber towels for the cars and will even find some regular terry towels for the wet people.

Plan to arrive anytime after noon and stay until you've had enough. We plan to chow down about 2:30 - 3:00 pm and again later, if anyone so desires. **If you are planning to participate, please email snydley@comcast.net or call the Snyders at (586) 979-4875 to indicate how many will attend. THERE WILL ALSO BE A SIGN-UP SHEET AT THE MAY, JUNE, & JULY MEMBER MEETINGS. PLEASE RSVP BEFORE AUGUST 1st.**

Be there or be square!!!!

SNYDER: 39148 Boston, Sterling Heights, MI 48313 (586) 979-4875
