

Spring Tech Session

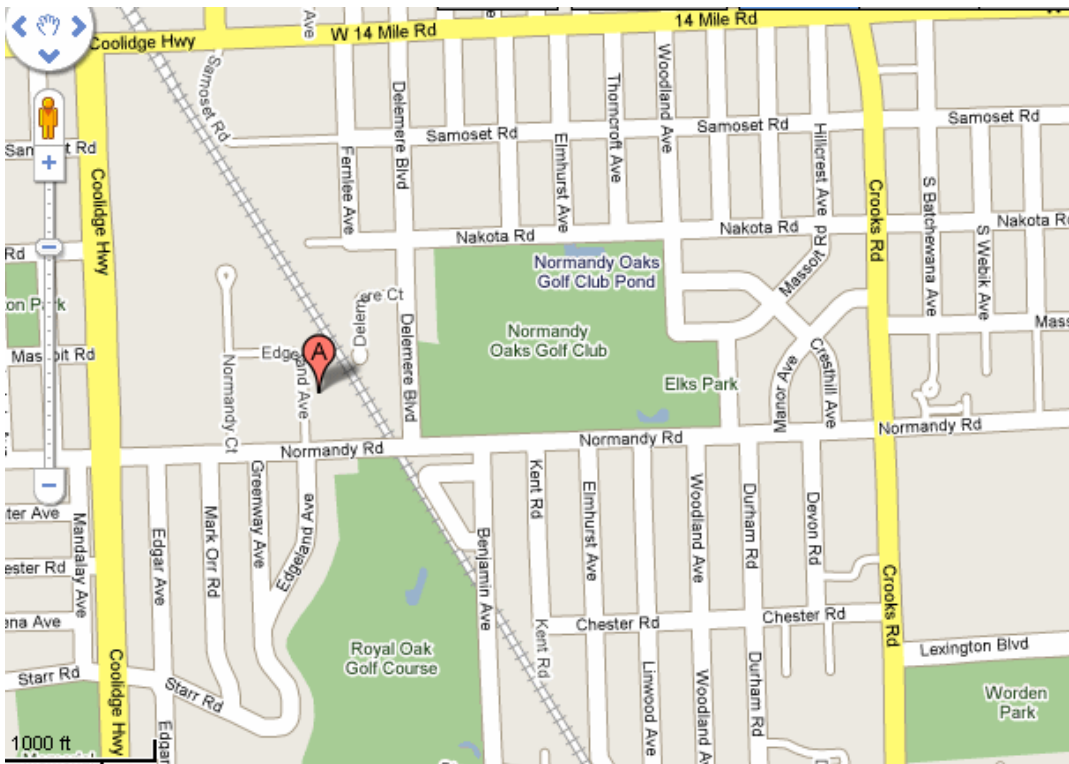

Saturday, May 2, 2009

Arthur Johns Enterprises, LLC

8:00am - 5:00pm

Need to get under, into or just work around your TR? Join DTSC hosts Art and Sue Johns as they open their “shop” for Club members’ use.

Take advantage of this great opportunity to get your LBC tuned up and ready to roll for the 2009 driving season. Consult with other members of the club on special problems or just consult. If you are just look for a Saturday morning of car work as usual I have several projects going on my TR-4

We are arraigning for the Snap-On Tool truck to stop by.
