

1969 Jaguar XKE with 4.2 L 6 cylinder engine, newer interior and newer paint. It has not been driven more than 20 miles or so in the last 20 years. Does not run now, needs at least a little work to get it going. Originally a California car, with about 61,000 miles on it. The seller is disposing of the estate of the former owner, this is one of several vehicles in the estate.
